FISHER HOUSE APPEAL

For Warwickshire Tercentenary 2028

In 2028 the Province of Warwickshire will be celebrating its 300th anniversary.

Fisher House was chosen, for the tercentenary appeal, as it's work supporting the families and loved ones of military personnel and veterans being treated at the Centre for Defence Medicine, based at the Queen Elizabeth Hospital in Birmingham, is both inspirational and in line with the commitment of the Province to the Armed Forces Covenant.

Fisher House

Queen Elizabeth Hospital Birmingham proudly serves as the receiving hospital for injured military personnel, both from the UK and around the world.

Recognising the specific needs of these families, Fisher House UK was built to offer them a crucial support system during difficult times. This 18-bedroom haven provides a "home away from home" for injured service members and their families, allowing them to stay close to loved ones while receiving treatment at the hospital. Many of these individuals have served in combat, and their injuries often require ongoing care.

A PSA prostate cancer screening event will take place on **Saturday 24th May 2025** at **Knowle Masonic Lodge**

Calling all men 40 and over, take a PSA test for prostate cancer and it could save your life.

In its early stages, prostate cancer generally produces no symptoms, so it is important to diagnose the disease before symptoms arise and while it is still potentially curable.

A PSA test is nothing more than a simple blood test. It's currently the best readily available indicator of a possible prostate problem. So for something so simple that delivers such benefits why wouldn't you invest a few minutes of your time taking a test.

When: Saturday 24 May 2025

Time: 09:30 – 12:30

Where: KNOWLE MASONIC LODGE

1621 Warwick Road, Knowle,

PODCASTS

In the car, on the train or in the comfort of your home are you listening to the wide range of subjects discussed in these masonic podcasts?

<https://www.ugle.org.uk/discover-freemasonry/resources/podcasts>

<https://fiveofnineclub.buzzsprout.com/2006028>

A podcast is essentially a talk radio series on demand. This means that listeners don't need to turn up and tune in live, but can listen any time (and pretty much anywhere) they like.
