FISHER HOUSE APPEAL

For Warwickshire Tercentenary 2028

In 2028 the Province of Warwickshire will be celebrating its 300th anniversary.

Fisher House was chosen, for the tercentenary appeal, as it's work supporting the families and loved ones of military personnel and veterans being treated at the Centre for Defence Medicine, based at the Queen Elizabeth Hospital in Birmingham, is both inspirational and in line with the commitment of the Province to the Armed Forces Covenant.

Fisher House

Queen Elizabeth Hospital Birmingham proudly serves as the receiving hospital for injured military personnel, both from the UK and around the world.

Recognising the specific needs of these families, Fisher House UK was built to offer them a crucial support system during difficult times. This 18-bedroom haven provides a "home away from home" for injured service members and their families, allowing them to stay close to loved ones while receiving treatment at the hospital. Many of these individuals have served in combat, and their injuries often require ongoing care.

Fisher House Fundraising Update

We made a donation of £95,000 to Fisher House in December 2024. We will be making a further donation of £80,000 in March 2025.

We have agreed to make quarterly donations rather than one large donation in 2028 as Fisher House requires donations now in order to sustain their services.

The trustees of Fisher House have agreed that each of the 18 bedrooms and two lounges can be named by those lodges who's members donate most to the appeal.

A bold leap into the future

Picture this: a Masonic community where paper forms are relics, where your next Lodge meeting syncs effortlessly to your phone, and where every Brother's face and name are just a tap away. This isn't a distant dream—it's here, now, with **Portal**, our ground-breaking new membership platform.

Unveiled at the March QC by the Pro Grand Master Jonathan Spence, DL, Portal builds on the trusted foundations of Adelphi, UGLE's membership database, and Hermes, the Lodge Secretaries' tool.

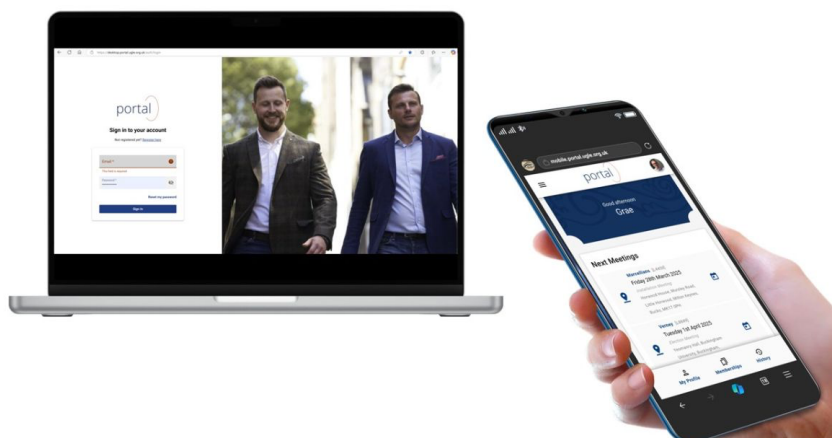

But **Portal** takes it further—straight into the hands of you, the Brethren. It's empowerment in action: control your data, plan your Masonic journey, and connect like never before—all from your computer, tablet, or phone.

And security? Industry-leading privacy features mean you decide who sees what. Your information, your rules.

Never Miss a Moment

Gone are the days of double bookings or forgotten dates. **Portal**'s homepage displays your next three meetings, downloadable to your calendar with a click. Want to plan further ahead? See years' worth of events at your fingertips. Visiting a Lodge? Browse chapters, get directions, and let **Portal** guide you there via your maps app.

And it's not just about logistics. Upload a photo to your profile and become the Brother who knows every name at the Lodge. **Portal** turns visits into opportunities—building friendships, strengthening bonds, and making every meeting a chance to belong.

A bold leap into the future

Simplicity Meets Innovation

Worried about the tech? Don't be.

Portal was crafted for everyone—even, as one Brother put it, “olduns” like him. Add it to your phone's home screen, save your password, and one tap opens your Masonic world. From Initiation to today, your journey is all in one place, designed by bright minds who prioritised simplicity over complexity.

The Future Beckons

This is just Phase 1. Future updates promise even more: tools to find ceremonies, connect candidates with Lodges, and streamline membership inquiries.

Imagine a Brother witnessing an Initiation, then finding a nearby Lodge for the next one—all through Portal. This isn't just a tool; it's a growth engine for our fraternity.

Freemasonry isn't content to rest on tradition. With Portal, we're setting a global standard for engagement. It's a revolution, Brethren, and it's live now.

The Pro Grand Master requires us all to register for Portal and to explore our exciting new membership application
